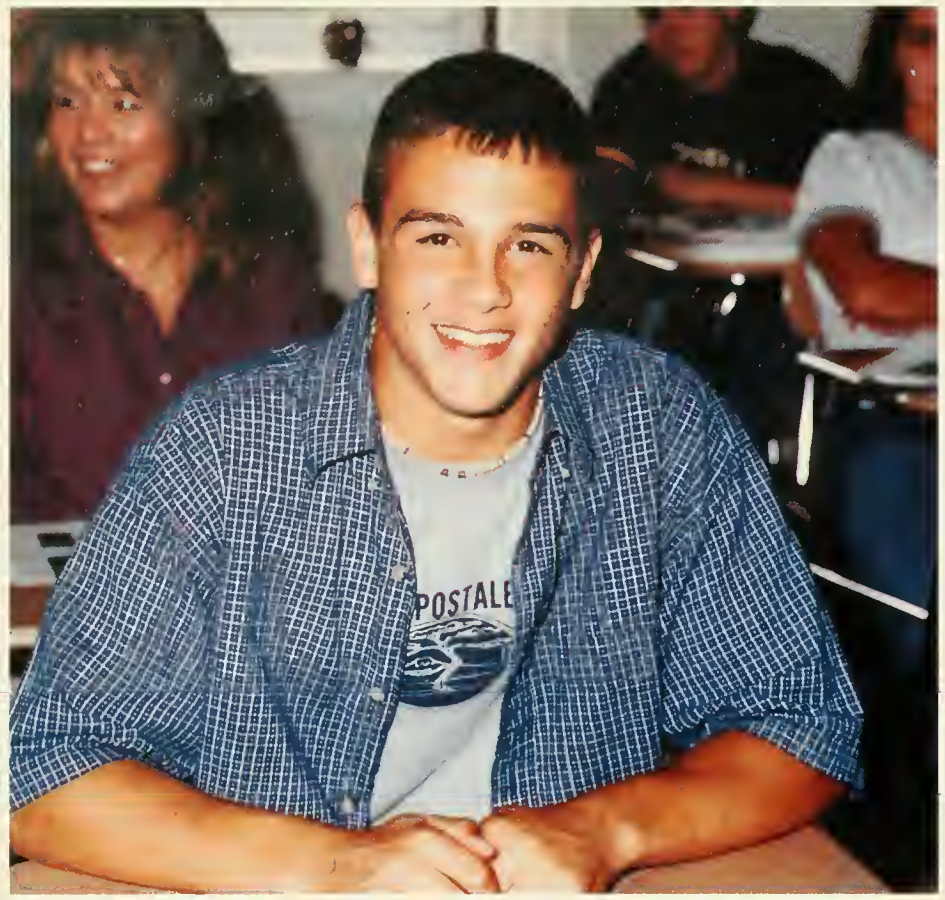
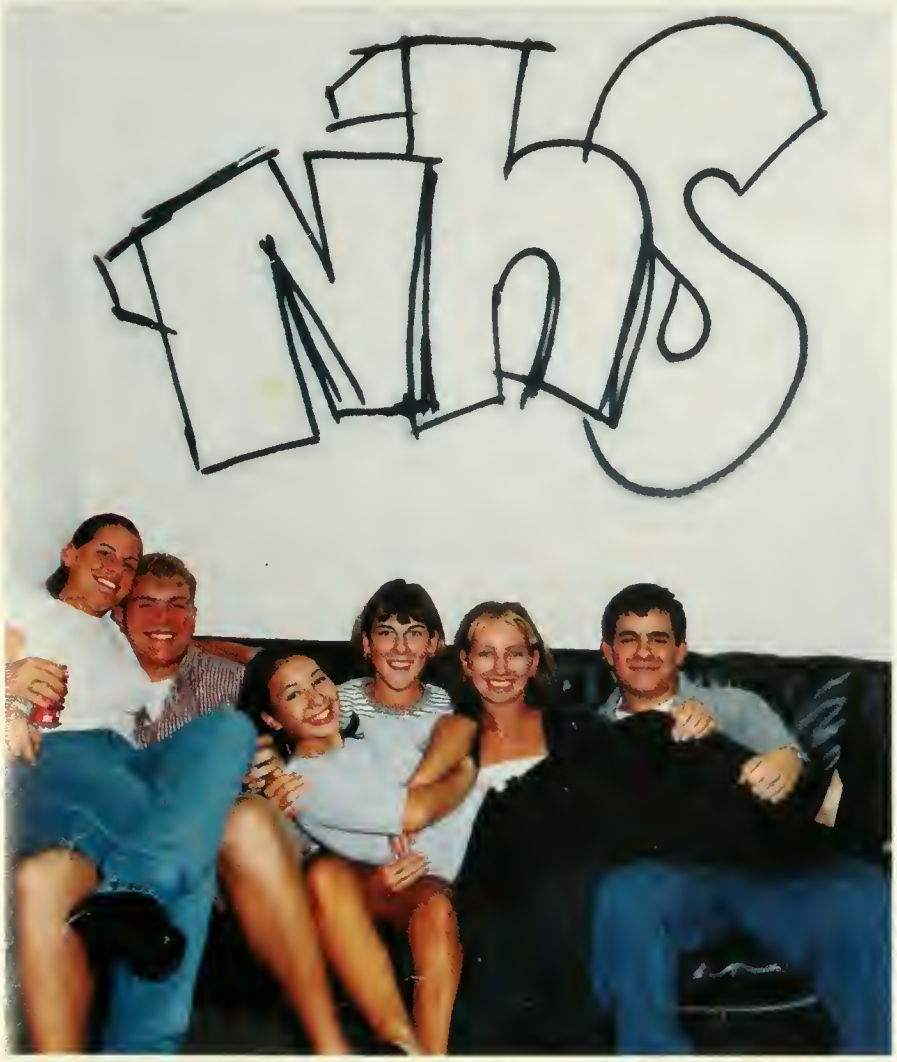
CLASS OF 2000

So make the best of this test, and don't ask why.



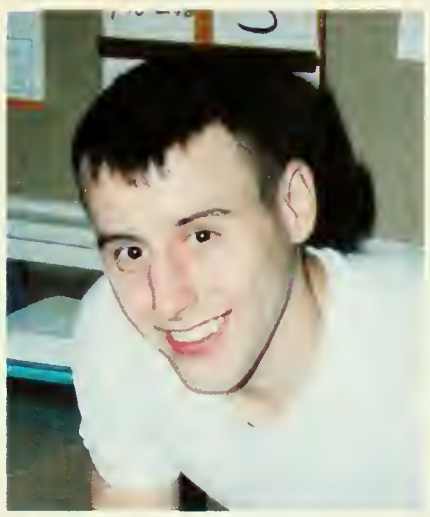
It's not a question, but a lesson learned in time.

It's something unpredictable, but in the end is right.
I hope you had the time of your life.



So take the photographs, and still frames in your mind.

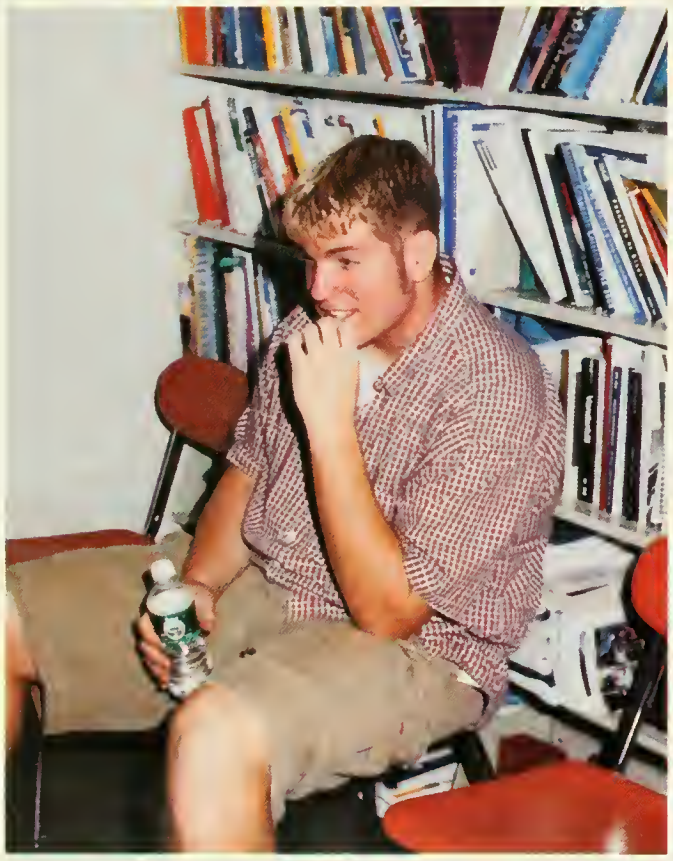
Tatoos of memories and dead skin on trial.



HOMECOMING WEEK

September 1999

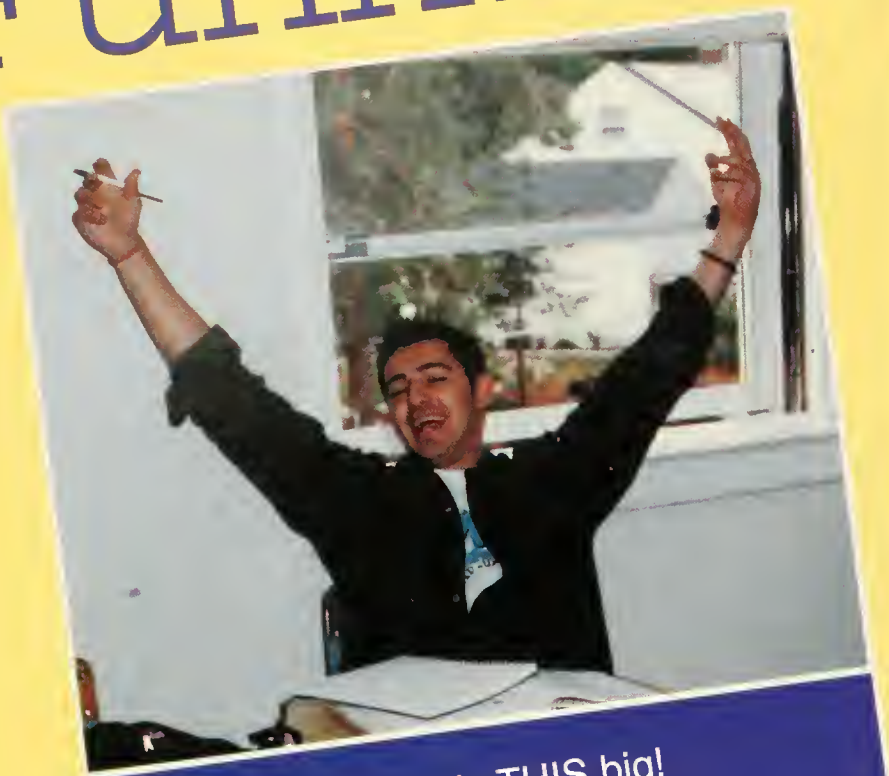
For what it's worth, it was worth all the while.
I hope you had the time of your life.



I HOPE YOU HAD THE TIME OF YOUR LIFE!

Donu

Funnies



My ego is THIS big!

I should have gone for the extra-large coffee this morning!

It's possible! You CAN rub your head, pat your belly, and hum at the at the same time!

Whatchu talkin' bout, Willis?!

Sorry Sam...you don't have magical powers.

Practice for prom night

This is our Senior privilege?!

I am FUFA...hear me ROOOAR!

Angel left Buffy?! I know...this is serious!

Scrub Day? Nah, Big C wears this every day.

They always were SO quiet.

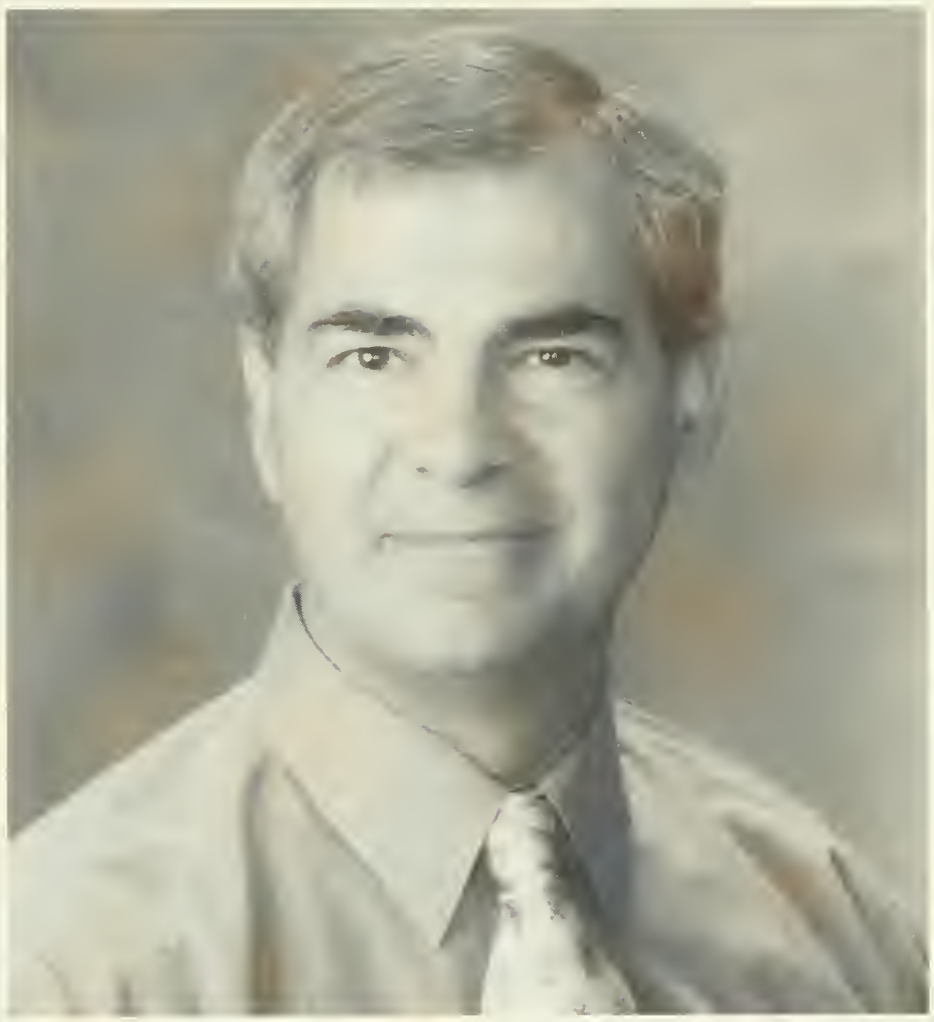
Dedication



We, the Class of 2000, would like to dedicate this special millennium *Tiot* to Mr. Albert Fuccillo. Born in East Boston, growing up in West Roxbury, Mr. Fuccillo attended BC High School. After receiving his diploma in 1966, he continued his "eagle pride" at Boston College, graduating in 1970. That same year, Mr. Fuccillo became a math teacher at Norwood Jr. High School. He even coached the outdoor track team. After teaching 11 years at the Jr. High, Mr. Fuccillo move up onto the hill. He continues today to teach math to many students. It was the Class of 1996 that he received a special task and honor. Mr. Fuccillo became the first senior class dean here at the High School. Not only does he give to the Norwood community, but he also gives to his hometown, North Attleboro. He lives with his wife the former Marcia Murphy, a graduate of Norwood High and he has two sons, Jeffrey and Tommy. Mr. Fuccillo is not your average teacher. He insisted that as freshman we must choose to make the four years in the high school the best possible. He feels that all of our expectations can be exceeded and that it is up to us to make them more memorable. He has taught us to reach for our dreams and to never listen to majority, but to think for ourselves. Together, we the *Tiot* editors, join the rest of the class in congratulating him through this dedication. Because of him, we are able to look back on those years and appreciate the many memories that are now part of our past.

THANK YOU.

Short years spent making long mistakes but in each long mistake was an even longer lesson learned. Smiles from the good memories will forever linger on my face and the wisdom from the hard ones will help me just in case.

Thanks to my family. Goodbye to all friends. You know who you are. And if you don't just ask me. Remember to remember redundancy. Maybe some-day "Unholy" will make it to stage. Maybe someday I'll finally join the Collective. Maybe someday I'll be back in Drama II. Until then I'll be hoping Jay's right about "The Sandlot" ending. Live long, prosper etc. Love to all...

Enough money was raised to make "Up All Night" a success. A great time was had by all who went. The officers also planned the Junior-Senior Semi to be held at the Lake View Pavillion in Foxboro. The next task on the agenda for the Class of 2001 and the officers is planning for next year's senior prom, and deciding where to hold it.

SENIOR THOUGHTS

Tiffany Ellett

I still remember the very first day,
I remember being told the years would fly,
Now four years later the time has come,
I think ahead and wonder where we'll be,
The time has come to leave the nest, I truly wish you all the best.

Good luck class of 2000!

James Patterson

A friend will never leave your side even during the toughest of days. She'll be there to give you support in all of her special ways, as your time together slowly drifts apart, the memories will forever remain in your heart.

-B.F.F.'S D.B.,S.B.,C.G.,+ EQ

Sittin' in the corner with C.J.and "The Captain" watching t.v. Outside is cold so we sit like boy scouts by the fire, remembering the times at Norwood High School. We can't forget the people who went to Canada or the friends of Gunz. All I have to say is keep the fun going for years to come.

From a member of the Class of 2000

" Open up your mind and go your own way"

Oh Chatham, Oh Chatham what would we do if we didn't have you!
We would stay in our beds thinking about you.
Jimmy P. would be chilling with his cd's
and Shev, the biggest party animal you ever did see.
Tony the " Italian Stallion" would be giving a tease.
Whereas Melissa would be at the beach with her bikini.
Four-wheeling at the beach would be a blast, if only Casey wouldn't be so hasty with the gas.
When your at the beach you know that Jamie will draw all the girls to check him out.
Then we have "Marty the One Man Party", and poor Ford Pinto is into the number four.
When we gather around, Rondo can really shake it down.
Alyssa will bring her pj's so she can stay another day.
For anyone who I did not rhyme, come down to Chatham and have a great time.
Oh Chatham, Oh Chatham, thank God we have Chatham.

- Seamus Murphy.

" A smile is the best gift to give, but it is even better to receive."Sometimes something so easy can never be forgotten. Thanks to all those who had faith in me.

Love always,
Jacki Frohn

Beginnings are scary
and endings are sad,
But I can never forget
the times that we had.

As we leave "The Hill"
we may shed tears,
But we must go out
and conquer our fears.

Wherever you go
make your dreams come true.
I will be there,
to stand by you.

Goodbye my friends,
one thing you should know,
Our friendship won't fade,
it can only grow.

by: Christine Bradbury

Mindy Keyes

"I always knew I'd look back on the times I cried, and laugh, but I never thought I'd look back on the times I laughed, and cry."

As our days at NHS come to a close,
Look to the future and the path you've chose.
These past four years have been a blast,
Flying by ever so fast.
To all my friends, I'll miss you very much,
we must always remember to stay in touch.
So goodbye, have fun, and please no tears,
best of luck in the coming years!

– by: Casey Geary

Hold a friend's hand through times of trial,
Let her find love through a hug and a smile,
But also know when it is time to let go,
For each and every one of us must learn to grow.

Under the guidance of Mr. Powell, the NHS student council has enjoyed another year of unprecidented success. This success, however, could not have been accomplished without the efforts of the devoted senior members, and the leadership of President Jay Pendse, Vice President Stephanine Graham, Secretary Christine Tilley, and Treasurer Joe Downs. Spearheaded by the officers, the Student Council has engaged in many charitable activities. In particular, the Student Council's efforts to change the senior priveledges with the addition of the community service program. The dedicated members participated in many activities, including collecting coats for the Boston Coalition for the Homeless, gathering food for the Norwood Food Pantry, and organizing the Gifts for the Elderly campaign. The Student Council also raised several thousand dollars for different scholarships, including the Kevin McNulty Scholarship. The officers would like to thank this year's Student Council for all it's hard work, and wish next year's group the best of luck.

Peer Mediation

Peer Mediation is a way of helping people solve their conflicts by talking to each other. Peer mediators are students who have been trained to listen to others in conflict. They display leadership, impartiality, and empathy during mediations. They try to help those in conflict understand each other and possibly come up with their own solution to the situtation. This year's group would like to thank Ms. DeChellis and Mrs. Derrane for their hard work, and wish next year's group the best of luck.

Peer Education

Peer Education is a group of students who voluntarily meet once a week to discuss the ways in which we can deter elementary school children from using drugs and alcohol. After many weeks of preparation, the peer educators were sent into classrooms throughout the town to teach the students the facts and persuade them not to start. The educators would like to thank Mrs. Golding and Mrs. Caniff for their time and support given to this very important cause.

The English as a Second Language class is for students who have recently arrived in the United States and whose first language is not English. This class is not mandatory for international students, but it is usually recommended by guidance counselors at the time of registration. According to current research, it takes 5-7 years to acquire English in order to communicate effectively and to succeed academically.

Some ESL students have moved to Norwood permanently, some are here as exchange students and stay only for one school year, and others have come for varying lengths of time as a result of their parents' work assignments. Currently in our program, we have nineteen students representing thirteen countries. These students go to ESL instead of their study halls.

Our class provides support for ESL students in their academic subjects and also provides direct instruction of the four language skills - speaking, listening, reading, and writing. We also practice the TOEFL (Test of English as a Foreign Language). This prepares international students for the official test, which many colleges, both in the United States and abroad, request as part of their admission requirements.

The goal of the ESL program is for each student to become proficient in the four language skills and for each student to experience all aspects of the high school environment, competing on an equal level with their native English-speaking peers. Several ESL students are on the honor roll, and many participate in the numerous extracurricular activites offered.

Despite great difficulties faced by this year's newspaper staff, such as malaria, leprosy, a kidnapping, and an acute case of narcolepsy, they persevered, and continuted to provide the student body with many issues of journalistic gems. Lead by the fearless Ms. Ethel Fischer, this year's staff confronted tough issues such as Cheerleading, Joe Gallant, and Electronica. The staff was so committed to the cause of the paper that they put long after-school hours in , sometimes staying in the dank computer lab until 3 or 4 in the morning. The staff, including the seniors, (Bridget Barry, Stacey Coyne, Ginette Vincent, Cassandra DeGeorge, and Tracey Flynn) can't wait for this school year to end so that they can come back to the School on the Hill next fall and keep cranking out issues of the Hilltopper!

These students audition and are selected from the larger choral ensemble, the Concert Chorale, and have received many honors at the local, state, and national level. They have sung at the Boston Museum of Science, King Richard's Faire, and the St. Nick's Benefit at Concannon's Village. They have received Gold medals at the statewide Massachusetts Instrumental and Choral Conductors Association (MICCA) Festival, at the National Invitational Honors Festival of Gold in Washington, D.C., and at the All-American Music Festival in Orlando, Florida. They also perform the annual Renaissance Banquet held at the Elks Lodge in Norwood.

This year their show included an arrangement of "Have A Little Help My Friends"composed especially for this year's group.

Undeated Bay State Conference Champs!

The 2000 Mustang hockey team had an overall record of 16 wins, 3 losses, and 4 ties and was undefeated in the Bay State Conference. Under the leadership of captains Joe McInereny and Dave DeCosta, as well as seniors Mike Cleary (Unsung Hero), Vinny Carafone, and high-scorer junior Jim Martin, the team was able to win the Bay State Confernce title for the first time since 1978. Being upset early in the tournament could not take away the accomplishments of the year. The team would like to congratulate the BSC all-stars Joe McInerney (MVP), Dave DeCosta (spirit award), Jim Martin, Brendan Sweeney, Rob Clifford, and Brad Weir. The seniors wish next year's team the best of luck.

"Get your rest, vitamins, eat right..." "Where's your hat, jacket" "It's gonna be timed today"

Farewell from Norwood High

"There's something out there left for you, but it's not me.
We've reached a point of no return, it's only right I set you free...
There's a place you'll always be; no matter where you are, you're here with me.
When the world is turning upside down, together we can stand our ground...
But I'll go on with my life. We can say goodbye for now, if that's what we have to do
Here in my heart, even when my arms are empty, I'm still holding on to you."

A milliennium only comes once every thousand years.
It is unforgettable... and so are we!

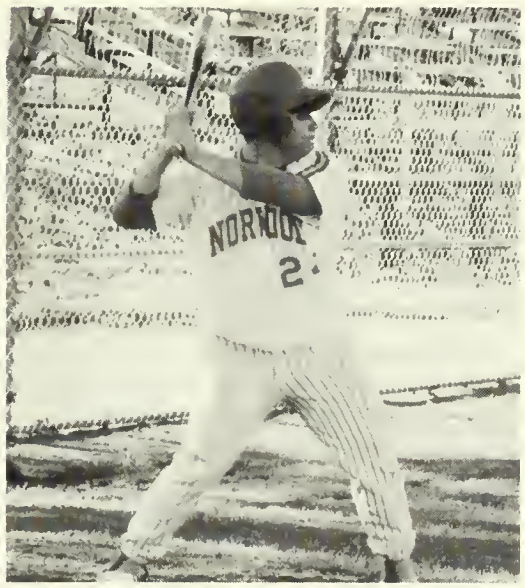
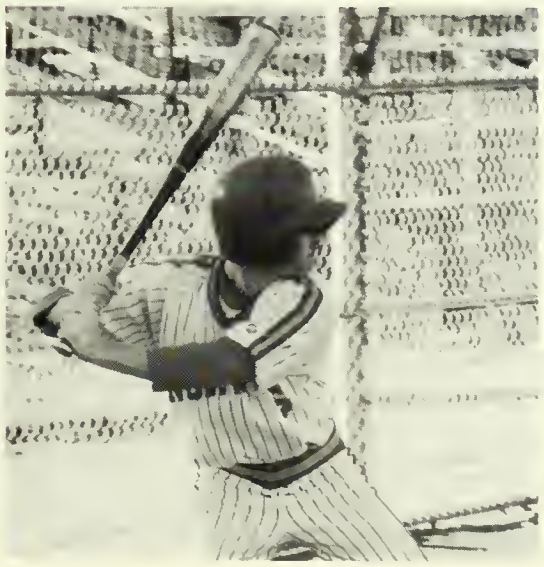
to the South Sectional Semi-finals





This year's team made a miraculous run in the post season before bowing out to BC High in the sectional semis. The first round game against Brockton was highlighted by Matt Clement's walk-off home run before a big crowd at the Balch. With this win they earned a shot at the fourth seeded Plymouth North. They made the journey to Plymouth and played a wild game. Down by 7 with two outs in the top half of the ninth, pinch hitter Scott Whitcomb started the rally with a base hit and the team went on to tie the game with Jim Martin's grand slam. And then came the storm. The game was postponed to the following Monday due to graduations. The team made the trip back to Plymouth, scored 5 runs in the first inning and went 1-2-3 in the bottom half to secure the victory. A home game with Catholic Memorial was next. Back at the Balch, Norwood beat CM pretty handily taking the lead from the get-go. On to the semi finals at the neutral site of Braintree against BC High. This was one of the most exciting games in Norwood baseball history. Norwood came back to force extras in the ninth and also scored 2 in the tenth on Tom Bretti's home run. As all great things must come to an end, BC High prevailed in the eleventh. This year's team was a great fighting team that was lead by BSC MVP Captain Jim Martin. John Falcone, Matt Clement, and Dave Hatch all made valuable contributions. The team would like to thanks the coaches for a great season and would like to wish good luck to next year's team.

in League; Just Misses Tourney

In their second varsity season, the Girls' LaCrosse team entered the competitive Bay State League. Finishing last season with a 10-4 record, the teams expectations for this year were very high. Led by eight seniors, the team finished with a 9-10 record in a tough league. The team's tournment hopes were crushed in a disappointing loss to Billerica in their last game of the season. Next year, the team will look to make a run at tournment, but not before beating Walpole. The seniors wish the best of luck to Coach Fam and next year's team.

Winning Season, 4-2!

The cold of this spring's season didn't affect this track team! They had a great season finishing with a record of 4-2. This winning record could only have been achieved by the girls' hard work and dedication. There were many good runs by hurdlers Melissa Shea, Katrina Nilsson, and Julie Sullivan, and by the four-by-one relay team of Kim Carroll, Julie Sullivan, Jena Harb, and Katrina Nilsson. Distance also had some great finishes with Kate Manley and Kristen McQuaid. The throwers dominated the scoreboard with phenominal throws in the shot put, javalin, and discus by Emily Quann, Susan Burton, Donna Burke, Jill Fabbrucci, Dianna Constantino, Erin Macay, and Julie Michalos. Caitlin Graham threw her way into the Conference meet with her 98 ft. throw in the discus. For the 11th year in a row, Norwood has won the title of Bay State Champs, with an amazing record of 20 consecutive wins. The throwers contributed a number of points with great performances by Paul Falcone, Joe Reen, and Marty Sansone. Brian Wilson held the spotlight, however, by resetting the school record in the javelin four times. On the track, the team was led by Dickie Penta, Alfred Fincher, Vinny Carafone, and Bob King. The 2000 tennis season began anew with an optimistic outlook. Following a year of rebuilding, the newly formed team had high hopes of a tournament ticket. Led by Norwood's #1 singles player, Chip Jama, the young varsity squad won two key matches early on. However, several difficult losses followed, leaving the team scrambling to mount a comeback. Unfortunately, as the season progressed further and as the losses began piling up, hope for tournament play began to fade.
